1942 WHOLESALE PRICE LIST—FOR DEALERS ONLY

We guarantee all plants to be true to name. All plants graded and packed by experienced graders and packers.

Please state how items are to be sent. Most items go by express. Small lots are sometimes cheaper by parcel post. Very heavy lots are cheaper by freight. But if weather is very hot freight is not safe. In event no instructions are sent we use our best judgment, but assume no risk. Large orders are shipped C. O. D. to customers we do not know. We advise delaying shipments on plants until ripened. However, they may be shipped in the growing or blooming stage, but it is not a good time to move plants. We are ready to ship your order at any time. But if the weather is hot it is not safe to ship plants, and we advise waiting until the weather is cooler. We will do our best at any time. We will assure you good plants and cheaper than you can get elsewhere.
